Assignee:	Andre Boivin	% Done:	80%
Category:		Estimated time:	0.00 hour
Target version:	1.8.7	Spent time:	0.00 hour
Complexity:	Normal	SCRUM pts - complexity:	1

Description

in user_portal.php, when showing the courses list, if a course is closed (and inside a session), you get a text saying (in French): "Cours (le cours est présentement fermé)".

The text is OK, but the title of the course should be shown (even if not a link).

André, we need some help to close 1.8.7, so I'm assigning this one to you. If you don't have time for that (should be ready on Friday), please reassign to me.

Avec la chamilo-1.8.7-rc2, l'affichage est ok, voir l'image jointe.

That's right this is fixed.

I guess it should be nice if we can see the status of the course (red, green, yellow circles) in userportal.
