

## Chamilo LMS - Feature #1845

### Incoherency in links list.

08/08/2010 06:37 - Olivier CORRE

<b>Status:</b>	Feature implemented	<b>Start date:</b>	08/08/2010
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>	Yoselyn Castillo	<b>% Done:</b>	100%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	1.9 Beta	<b>Spent time:</b>	1.00 hour
<b>Complexity:</b>	Easy	<b>SCRUM pts - complexity:</b>	3

#### Description

In order to be able to configure a link to open in a new window, one has to enable the link to display on the course/exercice page. i find this quite incoherent and confusing! Opening a link makes a student leave the platform... Shouldn't the option to choose between `_self` and `_blank` be on by default?

#### History

##### #1 - 01/05/2012 23:22 - Yannick Warnier

- Target version set to 1.9 Beta

##### #2 - 01/05/2012 23:22 - Yannick Warnier

- Complexity changed from Normal to Easy

- SCRUM pts - complexity changed from ? to 3

##### #3 - 29/05/2012 18:55 - Yannick Warnier

- Status changed from New to Assigned

- Assignee set to Yoselyn Castillo

##### #4 - 04/06/2012 16:18 - Yannick Warnier

Julio already fixed this in

<http://code.google.com/p/chamilo/source/detail?r=3e3ce3bd05622b5ee4aa94d92c4bf41ebded5386e&repo=classic&path=/main/inc/lib/link.lib.php>

Please only **check** that the links can be set to open in a new window, both in the course homepage and in the links tool page.

Olivier, why did you mention "exercises"? We don't get that... help!

##### #5 - 04/06/2012 16:54 - Olivier CORRE

Olivier, why did you mention "exercises"? We don't get that... help!

What i meant is that the link has to be displayed on a course page in order to open in `_blank`.

I can access the Chamilo test platform but I can't login onto it for some unknown reason so I can't test. Sorry about that.

##### #6 - 04/06/2012 17:01 - Yannick Warnier

We reinstalled it recently so your account may have been removed. Please use admin/admin to login

##### #7 - 06/06/2012 20:07 - Yoselyn Castillo

- File `link.php` added

- Assignee changed from Yoselyn Castillo to Julio Montoya

- % Done changed from 0 to 90

Sube este fichero, es para ponerle lo que pidio Olivier de poner por defecto que se abran en `_self`.

##### #8 - 07/06/2012 08:13 - Olivier CORRE

I just tried on <http://chamilodev.beeznest.com>, seems to be fixed. Both `_self` and `_blank` work properly now.

**#9 - 07/06/2012 08:19 - Yannick Warnier**

Great, but strange (Yoselyn's patch hasn't been applied yet). I'll let Julio check that. Long live the Chamilo community, working literally "around-the-clock" :-)

**#10 - 07/06/2012 08:22 - Olivier CORRE**

it is a pre 1.8.8.4 bug (date from 2 years back), it seems to be already fixed in latest version.

**#11 - 07/06/2012 16:44 - Yannick Warnier**

- Status changed from Assigned to Needs more info
- Assignee changed from Julio Montoya to Yoselyn Castillo

Yoselyn, podrías explicar tu cambio por favor (por ejemplo a través de comentarios aquí o dentro del código)? No entiendo en que cambiar el `$target_link` a `_self` soluciona el problema... (por lo menos revisando rápido, parece que la variable `$target_link` tiene más que ver con la página de destino que con la manera en la cual se abre).

**#12 - 08/06/2012 15:02 - Yoselyn Castillo**

El cambio solo hice porque pense que Olivier decia que era mejor que estuviera `_self` on por defecto para que el estudiante no tuviera que salir de la ventana,pero tanto `_self` como `_blank` abren correctamente.

**#13 - 09/06/2012 04:39 - Olivier CORRE**

I would suggest not to change anything since it seems to be already fixed in 1.8.8.4.

**#14 - 09/06/2012 22:20 - Yannick Warnier**

- Status changed from Needs more info to Feature implemented
- % Done changed from 90 to 100

OK, let's leave it this way then. Sorry Yoselyn, my fault.
