

Repository - Refactoring #2622

Drop last three (limit/offset/order by) arguments to Database#update_objects

24/01/2011 14:25 - Anonymous

Status:	New	Start date:	24/01/2011
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Backlog (default)	Spent time:	0.00 hour
Description			
The offset argument isn't used and ORDER BY and LIMIT are MySQLisms which don't translate to other databases (unless you want to do some kind of rewrite to a subquery)			
This is used in quite a few places so before dropping those arguments, those call sites must be changed.
