

Courses - Bug #3220

assessment - open question

06/04/2011 10:17 - dominique de guchtenaere

Status: Bug resolved	Start date: 06/04/2011
Priority: Normal	Due date:
Assignee:	% Done: 100%
Category:	Estimated time: 0.00 hour
Target version: 2.1.0	Spent time: 0.00 hour
Complexity: Normal	
Description Open question 3 scenarios: 1. works fine: - When platform language is English: It's possible to create an open question in an assessment (with and without hints) 2. works fine: - When platform language is Dutch and using a "hint", the Content Object is created in the Repository and works fine ... 3. problem: invalid data retrieved from database When platform language is Dutch and using NO "hint" in the question: "Invalid data retrieved from database" after creation, the Content Object seems to be created in the Repository but is corrupt, the error is "Invalid data retrieved from database"

History

#1 - 07/04/2011 11:13 - Stefaan Vanbillemont

- Project changed from Chamilo LCMS Connect to Courses

#2 - 14/04/2011 14:32 - Stefaan Vanbillemont

- Target version set to 2.1.0

#3 - 19/05/2011 15:35 - Anonymous

- Status changed from New to Needs more info

- Assignee set to Anonymous

- % Done changed from 0 to 90

I cannot reproduce this problem, can you try again with the latest code?

#4 - 19/05/2011 16:01 - dominique de guchtenaere

It works fine with the latest code

#5 - 20/05/2011 08:59 - Anonymous

- Status changed from Needs more info to Needs testing

- % Done changed from 90 to 100

I'm pleased to hear this is resolved

#6 - 09/06/2011 10:03 - Michael Hosdez

- Status changed from Needs testing to Bug resolved
