

Courses - Feature #3521

Course settings : titular field

27/05/2011 10:39 - Jens Vanderheyden

Status:	New	Start date:	27/05/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Backlog (default)	Spent time:	0.00 hour
Complexity:	Normal		
Description			
application : weblcms tool : course settings (course admin section) The field "titular" in the course settings form is populated with users that are directly subscribed to the course. The field should also contain users that belong to a platform group that is enrolled into the course. This way all users subscribed to the course (either directly or via a platform group) can be selected.			

History
