### History

While somebody is at it, I have some feature requests:

- Uploading multiple files would be nice, similar to the way it is done in the Documents tool
- When making a change in received files, the interface returns to sent files, which is annoying
- The tool should start in received documents. People are more often checking if they received something than sending things.

#### #2 - 02/05/2012 01:26 - Yannick Warnier

- Target version set to 1.9.2

#### #3 - 02/08/2012 00:43 - Yannick Warnier
