

Repository - Bug #3957

builders give you the possibility to create content objects that are not active

05/10/2011 14:08 - Nathalie Blocry

Status:	New	Start date:	05/10/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Backlog (default)	Spent time:	0.00 hour
Complexity:	Normal		
Description e.g. if you make "fill in the blanks question" inactive, it will still be shown in the list			

History

#1 - 05/10/2011 14:20 - Nathalie Blocry

I partially fixed this bug: there is a check now to see if the co is active before it is displayed in the list
BUT you can still create inactive content objects when you change the type in the url

there should also be a check when displaying the creation form (and when creating)

#2 - 08/11/2011 10:07 - Nathalie Blocry

- Assignee deleted (Nathalie Blocry)

#3 - 02/12/2011 15:07 - Stefaan Vanbillemont

- Project changed from Chamilo LCMS Connect to Repository

#4 - 13/01/2012 14:34 - Stefaan Vanbillemont

- Target version set to Backlog (default)
