

External Repositories - Bug #4158

error in content object when connection to server is lost

16/12/2011 16:32 - Jens Vanderheyden

Status:	New	Start date:	16/12/2011
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	Backlog (default)	Spent time:	0.00 hour
Complexity:	Normal		
Description			
when a youtube, mattehörn,... content object is created and (temporarily) there is no contact with the remote server the repository gives an error loss of contact with remote server should be taken into account in the content object display of these content objects
