Description

Bonjour

Par défaut, dans la version 1884, quand on clique sur l'icône Vidéoconférence dans un cours, on arrive sur une page d'erreur : "Not Found. The requested URL /plugin/bbb/start.php was not found on this server."

J'ai trouvé la source d'erreur. Le fichier course_install.php dans /plugin/bbb contient une erreur pour laquelle il suffit de remplacer '../plugin/bbb/start.php' par './plugin/bbb/start.php' dans la ligne 20.

Je travaille avec un ubuntu server amd64 11.10 dans une vm lxc, avec PHP 5.3.6 et mysql Ver 14.14 Distrib 5.1.58.

Bonne journée
