

Chamilo LMS - Feature #4597

Search course plugin

10/04/2012 08:48 - Laurent Opprecht

Status:	Bug resolved	Start date:	10/04/2012
Priority:	Normal	Due date:	
Assignee:	Julio Montoya	% Done:	100%
Category:		Estimated time:	0.00 hour
Target version:	1.9 Beta	Spent time:	0.10 hour
Complexity:	Normal	SCRUM pts - complexity:	?
Description			
Plugin which allows to search courses and subscribe to them			

History

#1 - 10/04/2012 09:00 - Yannick Warnier

The Xapian search feature is currently a bit frozen by the fact that the php-xapian bindings are not packaged into Debian/Ubuntu anymore, but if a search has to be implemented, it should re-use the Xapian feature, which is already available for:

- documents
- exercises
- learning paths
- links

It might have to be reviewed though. It is in main/inc/lib/search if I remember well.

#2 - 12/04/2012 18:00 - Laurent Opprecht

- Status changed from New to Needs more info

- Assignee changed from Laurent Opprecht to Yannick Warnier

Actually the plugin is already done - and was done using standard sql like commands I am afraid. I believe it will still be useful for others as it was a common request done by quite many people.

I will have a look at Xapian though to see if we can use it - keeping in mind production runs under Solaris so I will need to check first with them.

#3 - 17/04/2012 11:30 - Laurent Opprecht

- Assignee changed from Yannick Warnier to Julio Montoya

- % Done changed from 0 to 90

Well it was done several months ago for D. 1.8.8. Don't think I will have time to integrate xapian.

#4 - 20/04/2012 17:16 - Julio Montoya

- File registered.png added

- Assignee changed from Julio Montoya to Laurent Opprecht

- % Done changed from 90 to 80

The plugin should show courses that are open to the world when a user is not logged in.

Right now when I search something I can subscribe to a course.

- Assignee changed from Laurent Opprecht to Julio Montoya

Good catch, I corrected that.

keeping in mind production runs under Solaris so I will need to check first with them.

I didn't know that. Nice use case. Chamilo runs on Solaris, yeaaaah! :-)

Anyone opposes the closing of this task now? I'm fine with it and so is Julio apparently...

#7 - 07/06/2012 08:28 - Laurent Opprecht

- Status changed from Needs more info to Bug resolved

fine by me. closing

#8 - 07/06/2012 13:44 - Laurent Opprecht

- % Done changed from 80 to 100
