I think we should disabled that page, not sure if it's working correctly

#3 - 18/10/2012 18:47 - Yannick Warnier

We can hide it when it's not a dev install... if (api_get_setting('server_type')==='test') { show-it; }

#4 - 24/12/2012 19:13 - Yannick Warnier

- Category set to System

- Status changed from Needs more info to Feature implemented

- Assignee set to Yannick Warnier

- % Done changed from 0 to 100

Patch sent to hide this development page. It doesn't solve the real issue, but then the real issue doesn't really matter here.
