<b>Complexity:</b>	Normal	<b>SCRUM pts - complexity:</b>	?

**Description**

Hello,

when listing surveys from a course, the number of questions per survey is wrong, it is showing incredible numbers. This is because the sql query at function `get_survey_data` in file `/main/survey/survey.lib.php`

The solution here is in the string variable `$sql` , line `ON survey.survey_id = survey_question.survey_id, $table_user user` should be: `ON (survey.survey_id = survey_question.survey_id AND survey.c_id=survey_question.c_id), $table_user user`

Please correct me if I am wrong, but I think in this way it is working fine :)

Kind regards

#### Associated revisions

##### Revision c9419f91 - 28/12/2012 01:27 - Jose Manuel Abuin Mosquera

Possibly fixed survey questions count error - refs #5567

#### History

##### #1 - 01/10/2012 20:23 - Yannick Warnier

- Target version set to 1.9.4

##### #2 - 04/10/2012 20:12 - Yoselyn Castillo

- Assignee changed from Jose Manuel Abuin Mosquera to Yoselyn Castillo

Verifying...

##### #3 - 05/10/2012 17:15 - Yoselyn Castillo

- File `survey-list.gif` added

- File `survey-questions.gif` added

- Status changed from Needs testing to Assigned

- % Done changed from 80 to 60

There is still some bug. With some surveys it works fine, but

I have created 1 survey.

It has 3 question(see `survey-question.gif`)

The list shows 4 questions(See the `survey-list.gif` in attachment)

verifying...

##### #4 - 08/10/2012 14:29 - Yoselyn Castillo

- Status changed from Assigned to Needs testing

- Assignee deleted (Yoselyn Castillo)

I have made some changes, but i really couldn't detect why sometimes the number of questions wrong. Please if somebody else could test it...

##### #5 - 24/12/2012 19:04 - Yannick Warnier

Hi Yoselyn,

You didn't send any file with your latest comment...

**#6 - 28/12/2012 01:26 - Yannick Warnier**

- Target version changed from 1.9.4 to 1.9.6
- % Done changed from 60 to 80

I guess you (José) meant line 4376. I have added your patch as it doesn't seem to work in any wrong way, but I haven't been able to reproduce the bug. I'm postponing this to 1.9.6 to get a chance to reproduce it, but I suppose this could already be considered fixed as you provided a patch and I couldn't reproduce the error. The only reason why I'm leaving it open is Yoselyn's report.

**#7 - 05/03/2013 12:13 - Julio Montoya**

- Assignee set to Julio Bonifacio Aliaga

Hi Julio, Can you check this one?

**#8 - 08/03/2013 21:18 - Julio Bonifacio Aliaga**

- Status changed from Needs testing to Assigned
- Assignee changed from Julio Bonifacio Aliaga to Julio Montoya

I tried creating several surveys and several questions, and if I show the right amount of questions. I haven't been able to reproduce the bug

**#9 - 29/03/2013 04:23 - Yannick Warnier**

- Status changed from Assigned to Bug resolved
- Assignee changed from Julio Montoya to Yoselyn Castillo
- % Done changed from 80 to 100

Closing as for Julio B's comment. Feel free to re-open with a more complete test case.
