#### Description

The free/busy calendar (in admin's users list) doesn't show the time (only the date). Make sure it show time.

In my view, the visual display could be a constant division in 12 sections per day:

- 0-2am
- 2-4am
- 4-6am
- 6-8am
- 8-10am
- 10-12
- 12-2pm
- 2-4pm
- 4-6pm
- 6-8pm
- 8-10pm
- 10-00

Then whatever even occupies one or part of one block, mark the whole block as busy.

Hi Yannick.

Any up regarding this feature. This could be very appreciable as this could become some real busy/free management tool for admin who manage courses whith several teachers.

Thanks in advance.

Jean-Daniel
