

Courses - Bug #6393

Repository - Shared with me: copying multiple objects fail

09/07/2013 10:42 - Anonymous

Status:	Needs testing	Start date:	09/07/2013
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	LCMS 4 Beta	Spent time:	0.00 hour
Complexity:			
Description			
When copying multiple objects at once from the shared with me section, you get the notification it has been successful. But the objects have not been copied.

- Tracker changed from Analysis to Bug
- Project changed from Chamilo LCMS Connect to Courses

#2 - 19/07/2013 10:42 - a b

- Status changed from New to Needs testing

Seems to work. Is probably tested on the HoGent migration test installation, that doesn't have access to the physical files, which results in the error.
