

Courses - Bug #6460

Peer assessment: filling in scores for student as course manager gives '100% progress' while scores are not registred

18/07/2013 12:14 - Anneleen Verckens

Status:	Bug resolved	Start date:	18/07/2013
Priority:	Normal	Due date:	
Assignee:	Anneleen Verckens	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	LCMS 4 Beta	Spent time:	0.00 hour
Complexity:	Normal		
Description			
When filling in scores for students as course manager gives a '100% progress' in the attempt-window (= not ok) while scores are not registred (as a student you can fill in later = ok) Notice should be '0% progress'

Do you mean when a teacher enrolled into a PA-group fills in scores? Then the scores are saved. If the teacher is not part of a group he is redirected to the status overview.

Can you please illustrate the problem al little bit more?

#3 - 23/08/2013 15:51 - Anneleen Verckens

- Status changed from Needs more info to Bug resolved

The problem was that I as a teacher (not enrolled in a PA-group) could fill in scores for a student (not logged in as a student) - seems now impossible. So bug seems resolved
