#### History

##### #1 - 18/07/2013 14:01 - Anneleen Verckens

Still problems with 'only feedback'-scale

- student fills in feedback, but there is nothing registered (see screenshot, 0%)

- after all students filled in their feedback, results-window still says 'not closed'

##### #5 - 02/09/2013 11:39 - Jens Vanderheyden

when pa-type is only feedback following will be displayed

1) when user has saved the feedback-form (even without giving feedback) : Feedback given

2) when user hasn't yet filled out form : No feedback given

OK, what you say is visible.

Still problems:

- clicking on 'information'-icone in results-window doesn't show the feedback given by the student(s) to course manager (after finishing attempt-period)(scr1)

##### #7 - 04/09/2013 16:35 - Anneleen Verckens

Feedback also not visible to student clicking on 'information'-icone
