Description

In the breadcrumbs bar of the videoconferencing application, the 'videoconferencing' item is displayed twice. The first (on the left) has link: index.php?application=weblcms&course=1&tool=video_conferencing&go=course_viewer
The second (on the right) has link:
index.php?application=weblcms&course=1&tool=video_conferencing&go=course_viewer&browser=table&tool_action=browser
