

Courses - Bug #6576

appointments: moving an appointment to a different timeslot copies instead of moving

16/08/2013 13:18 - Anonymous

Status:	Bug resolved	Start date:	16/08/2013
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	LCMS 4 Beta	Spent time:	0.00 hour
Complexity:	Normal		
Description			
When trying to move an appointment's timeslot, the appointment is copied to the new timeslot. screenshot: treid to move time timeslot at 9h to 10h and 11h, after which two copies of the original show up, both in the teacher's list and the student's list.

History

#1 - 16/08/2013 13:30 - Anonymous

in file `repository/content_object/event/php/lib/appointment_mover_form.class.php` on line **82**, after `$success &= $this -> appointment -> delete()`; the `$success` variable has value 0, however, this is not returned, only the `$new_appointment` is returned, independent of the deletion success/failure status of the previous appointment.
