

Chamilo LCMS Connect - Analysis #6921

permanently delete a content object fails in Recycle bin

14/01/2014 10:26 - jingzhou wang

Status:	New	Start date:	14/01/2014
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	LCMS 4 Beta		
Description			
in the recycle bin under "Repository", select a content object (that had been deleted into the recycle bin), push the "Delete button" (the "X" symbol), the system hangs with the following message (same result with the "Empty recycle bin" button):			
Fatal error: Class 'core\metadata\ContentObjectMetadataElementValue' not found in /var/www/core/repository/php/lib/content_object.class.php on line 1088
