- Category set to Forum

- Status changed from Needs testing to Bug resolved

- Assignee set to Angel Quiroz

- % Done changed from 50 to 100

Checked, approved and merged.

Just a note: because of this change, people using sessions, who have already created a forum inside a session, but where the forum category had been created inside the base course, will see their "hybrid" forum disappear.

This might come back to us as support tickets somewhere in the future...
