

Chamilo LMS - Feature #7514

Add autofocus on first student score in gradebook external evaluation

05/02/2015 22:52 - Yannick Warnier

Status:	Feature implemented	Start date:	05/02/2015
Priority:	Normal	Due date:	
Assignee:	Imanol Losada	% Done:	100%
Category:	Gradebook / Evaluaciones	Estimated time:	0.00 hour
Target version:	1.10.0	Spent time:	1.32 hour
Complexity:	Normal	SCRUM pts - complexity:	?

Description

When adding students scores in an external evaluation in a cours gradebook, we need about 10 "tabs" to get to the first student's score box.

Make sure that the focus is always on the first score box, if there is at least one student.

I'm attaching a small video recording to show the issue. See the highlighted element move when I strike the tab key...
