

Chamilo LMS - Bug #7555

Retroalimentación en ejercicios

26/02/2015 04:30 - Asgard Paniagua

Status:	Bug resolved	Start date:	26/02/2015
Priority:	Normal	Due date:	
Assignee:	Angel Quiroz	% Done:	100%
Category:	Exercises	Estimated time:	0.00 hour
Target version:	1.10.0	Spent time:	2.07 hours
Complexity:	Normal	SCRUM pts - complexity:	?

Description

Hice algunos ejercicios para evaluar y calificar a los alumnos, con la calificación (puntuación) no tengo problema, el problema es que yo quiero hacer una retroalimentación al alumno para que vea donde ha cometido un error. Me aparece un cuadro de texto donde puedo poner comentarios pero no importa cuanto escriba no guarda (ni muestra) dichos comentarios. Puse esta misma pregunta en otro foro y resultó que tienen el mismo problema, podrían revisarlo por favor? o acaso no existe esta funcionalidad?

History

#1 - 26/02/2015 07:34 - Yannick Warnier

- Category set to Exercises

- Target version set to 1.10.0

Hola Asgard,

Sí, nos reportaron este error en la versión 1.9.10. La estaremos corrigiendo para la 1.10.0. Gracias por reportarlo.

#2 - 02/03/2015 16:07 - Angel Quiroz

- Status changed from New to Needs testing
- % Done changed from 0 to 80

El bug se generaba porque así no se use CKEditor siempre se obtenía el valor de la instancia de CKEditor, lo que generaba un error de JavaScript también.

PR: <https://github.com/chamilo/chamilo-lms/pull/541/files>

#3 - 13/03/2015 17:40 - Annick Vdp

This fix does not work for me.

#4 - 02/04/2015 07:13 - Yannick Warnier

Annick, given your comment and the language of the initial report, could you be more specific about the issue you are observing?

#5 - 02/04/2015 09:44 - Annick Vdp

This is the same problem I reported in bug [#7541](#), right? At least this bug report was linked to my initial bug report and using google translate I thought this was about the same issue. That's why I commented that the fix did not work. I see you have fixed the issue in the 1.10 version, I tested at unstable.chamilo.org.

#6 - 04/04/2015 03:20 - Yannick Warnier

- Status changed from Needs testing to Bug resolved
- Assignee set to Angel Quiroz
- % Done changed from 80 to 100

Yes, it is the same issue, but fixed in 1.10.0 is enough for us, sorry :-) (it is also in your interest that we can focus on releasing 1.10.0 earlier by focusing less on 1.9)

Marking this bug as fixed.

#7 - 04/04/2015 11:00 - Annick Vdp

No problem, I understand!
