Alex, necesitamos iconos para los 3 nuevos tipos de preguntas.

**#7 - 23/06/2015 00:17 - Yannick Warnier**

Falta un icono para el tipo drag&drop matching, Alex (o quizás no se esté seleccionando el icono correcto?)

Alex, por favor hacer un icono distinto para el **antiguo** tipo de pregunta, para que pueda cerrar esta tarea!  
El icono para el tipo anterior debería mostrar un especie de barra desplegable para la solución "a", y quitar las líneas de color.

Listo tarea para cerrar ya enviado en el PR
