### Description

The current "Student view" button (and its corresponding "Teacher view") is confusing because it doesn't state the action to be done. To reduce the confusion, we should move to something like "Switch to student view". This would make it a bit longer, but it would ensure a non-ambiguous button that is always present for teachers, so it pays to improve it.

- English
  - Switch to student view
  - Switch to teacher view
- French
  - Passer en vue étudiant
  - Passer en vue enseignant
- Spanish
  - Cambiar a vista estudiante
  - Cambiar a vista profesor
