### Description

Several visibility issues have appeared in the agenda. First the admin could not create an event for all. José L. fixed that but then we found that the visibility filter was wrong and that students could see events of (only a few) other students.

Work in progress... (and the only thing still holding 1.10.0 back)

### History

**#1 - 16/10/2015 10:05 - Yannick Warnier**

- Status changed from Assigned to Bug resolved
- % Done changed from 0 to 100

Tested and sent to main repo
