Target version:		Spent time:	0.50 hour
Complexity:	Easy	SCRUM pts - complexity:	?
Description			
Cuando se activa un curso especial, el catálogo de cursos muestra un error			

History

#1 - 05/11/2015 15:02 - Carlos Vargas

Para corregirlo solo hay que saltar los slash para que interprete las comillas

Hay que hacer los mismo en las lineas: 598 aprox y 668 aprox

Actual

```
$without_special_courses = ";\nif (!empty($specialCourseList)) {\n$without_special_courses = ' AND course.code NOT IN (' . implode(';', $specialCourseList) . ')';\n}
```

Corrección

```
$without_special_courses = ";\nif (!empty($specialCourseList)) {\n$without_special_courses = ' AND course.code NOT IN (" . implode("\\", $specialCourseList) . ')';\n}
```

#2 - 11/11/2015 18:09 - Alex Aragon

Corregido... pero lo hice asi, sin usar el ""

```
$without_special_courses = ';\n    if (!empty($specialCourseList)) {\n        $without_special_courses = ' AND course.code NOT IN (' . implode('"', $special_course_list) . ')';\n    }\n}
```

Enviado a PR

#3 - 11/11/2015 18:09 - Alex Aragon

- Status changed from New to Needs testing

- Assignee changed from Carlos Vargas to Yannick Warnier

#4 - 11/11/2015 18:14 - Alex Aragon

<https://github.com/chamilo/chamilo-lms/pull/929>

#5 - 15/12/2015 00:41 - Yannick Warnier

- Status changed from Needs testing to Bug resolved
