### Description

The agenda in list view shows the agenda items in the order that they are created and NOT by date (which would be the preferred order).

*PS: I have tested in 1.9.10, not sure where to test in the new 1.10 version.*

### History

#### #1 - 22/12/2015 17:49 - Yannick Warnier

Hi Annick, you can test 1.10 on [https://unstable.chamilo.org](https://unstable.chamilo.org)

#### #2 - 22/12/2015 17:51 - Annick Vdp

I have tested in 1.10 and the result is the same.

#### #3 - 22/12/2015 18:16 - Yannick Warnier

- Target version changed from 1.10.2 to 1.10.4

OK. We won’t be able to fix it in 1.10.2 (which should be a few hours away from release now), but I will schedule this for 1.10.4. Thanks for reporting.

#### #4 - 10/02/2016 18:21 - José Loguercio

- Status changed from New to Needs testing
- Assignee set to Yannick Warnier
- % Done changed from 0 to 90

It should work with this changes: [https://github.com/chamilo/chamilo-lms/pull/1000/files](https://github.com/chamilo/chamilo-lms/pull/1000/files)

Greetings

Why was it changed to me? I have tested above code in 1.9.10 with no luck ...

#7 - 15/02/2016 16:37 - José Loguercio
it works perfect for me in 1.9.x versions, can you tell me your php version?

#8 - 15/02/2016 16:41 - José Loguercio
or what kind of error you got?

#9 - 15/02/2016 21:26 - Annick Vdp
Sorry, I think I forgot to clear the cache, I checked again and it works fine. I also added the code for the course calendar. Thanks for the fix!
