Hello.
After creating an evaluation.
When trying to 'change the link' image 01.
You first get this error.
--------
string (188) "INSERT INTO gradebook_link (type, ref_id, user_id, course_code, category_id, weight, visible) VALUES (: type: ref_id:, user_id,: course_code,: category_id,: weight,: visible)"
---------
The re-evaluation.
The change was made.
By leaving the chamilo in mode of 'Test Server'.
The error is this:
-----------------------
string (188) "INSERT INTO gradebook link (type, ref_id, user_id, course_code, category_id, weight, visible) VALUES (: type: ref_id:, user_id,: course_code,: category_id,: weight,: visible)"
