

Chamilo LMS - Bug #8072

Platform admin cannot enter users list of a course he didn't create

27/01/2016 11:58 - Yannick Warnier

Status:	Rejected - Abandoned	Start date:	27/01/2016
Priority:	Normal	Due date:	
Assignee:	Yannick Warnier	% Done:	0%
Category:	Administration	Estimated time:	0.00 hour
Target version:	1.10.4	Spent time:	0.93 hour
Complexity:	Normal	SCRUM pts - complexity:	?
Description			
<ul style="list-style-type: none">• Create a course• Edit the course (from the admin courses list)• Assign another teacher to the course and remove yourself (admin)• Save• Enter the course• Go to the users tool• Error <p>The admin should always be authorized to do anything in a course. I suspect the <code>api_is_allowed_to_edit()</code> is not taking <code>api_is_platform_admin()</code> into consideration for some weird permissions reason.</p> <p>Check master too.</p>			

History

#1 - 27/01/2016 12:17 - Julio Montoya

- Status changed from Assigned to Needs more info

- Assignee changed from Julio Montoya to Yannick Warnier

It works for me. I tried it here:

https://unstable.chamilo.org/main/admin/course_list.php?keyword=julito&submit=&qf_search_simple=

Course "Julito" the admin can enter with out problems. I changed also the course visibility.

Can you provide an example?

#2 - 03/03/2016 22:19 - Yannick Warnier

- Status changed from Needs more info to Rejected - Abandoned

I always get the ghost-type bugs... :-/

Sorry. Cannot reproduce anymore.
