Hi Laki,

What browser are you using?

In the Administration tab, in category "User list", does not shown icon (Picture 1).

In the Reporting tab, in sections "Assigned courses", "Followed courses", "Followed sessions", table header is not full responsive (Pictures 2, 3, 4).

Hi Laki,

What **browser** are you using? Chrome, Firefox, Safari, Internet Explorer, other? And in which version?

#5 - 21/03/2016 20:40 - Laki Mara

I'm using the latest version of Opera. The problem is the same with Google Chrome and Microsoft Edge, which also use.

We don't support officially Opera nor Edge, but at least we should be able to check it with Chrome.

the problems with the tables had not responsible design arrangement.

With respect to the icon that is under a previous task.

There's still an issue here: http://my.chamilo110.net/main/tracking/courseLog.php?cidReq=ENGLISH101&id_session=0 (details of one course) with the buttons to restore the additional columns (they don't do anything anymore). See JS function foldup()
