after creating survey, confirmation message appeared (green field). Language used for confirmation message is not taken from course language definition, but from platform. Eq.: course in english, user's language is spanish, platform language is set to slovenian; confirmation is in slovenian, should be in english? (or spanish?).
- Assignee changed from Yannick Warnier to José Loguerchio
- % Done changed from 80 to 100

Thanks for your feedback! Closing.
