Revision f8e4c135 - 27/06/2016 17:29 - José Loguercio
Merge pull request #1237 from jloguercio/1.11.x
Fix and issue with publication dates with you add a forum - Refs #8304

History

#1 - 27/06/2016 16:55 - José Loguercio
- Assignee changed from José Loguercio to Yannick Warnier
- % Done changed from 0 to 20

Can't reproduce the error, tested in an update 1.11.x portal.

#2 - 27/06/2016 17:30 - José Loguercio
- Status changed from Assigned to Needs testing
- % Done changed from 20 to 50

But ... I detect an issue when you add a forum with the publication dates, maybe that was the cause.
