History

#1 - 21/07/2016 15:34 - Angel Quiroz
- Status changed from Assigned to Needs testing
- Assignee deleted (Angel Quiroz)
- % Done changed from 0 to 80

Corrections in migrations from 1.9.x to 1.11.x
And modifications in new installer

#2 - 27/07/2016 01:02 - Yannick Warnier
- Status changed from Needs testing to Assigned
- Assignee set to Angel Quiroz

Verificar según cambios de la base de datos que afectan contenido dentro de los cursos.

29/08/2020
Revisé las tablas c_* y encontré algunos cambios de fechas principalmente, que no me generan error al importar cursos desde 1.10.x

I see a lot of work has been done on this task. I haven't tested it, but given the fact that this was not a bug in the first place but mainly a list of things to check, I think it's safe to consider that an improved state has been reached. Good!
