<b>Target version:</b>	2.0	<b>Spent time:</b>	0.00 hour
<b>Complexity:</b>	Normal	<b>SCRUM pts - complexity:</b>	?

#### Description

C'est parfois utile d'aviser qu'il y a un changement dans l'agenda. Pour ajouter la possibilité, commenter les lignes 2181 et 2187 dans inc/lib/agenda.lib.php

```
// if (empty($id)) {  
$form->addElement(  
'checkbox',  
'add_announcement',  
null,  
get_lang('AddAnnouncement').'&nbsp;'.get_lang('SendMail'.')'  
);  
// }
```

#### History

##### #1 - 05/10/2016 17:40 - Angel Quiroz

- Target version changed from 1.11.0 to 2.0

With the lines commented when you edit a event, the announcement is not edited; a new announcement is added. And there is no direct relation between event and announcement tables.

This issue is being postponed for version 2.0 due to the current structure of the database.

##### #2 - 05/10/2016 18:57 - Yannick Warnier

- Tracker changed from Bug to Feature
