#### History

##### #1 - 06/04/2010 08:14 - Sven Vanpoucke

- *Category set to 14*

- *Status changed from New to Needs more info*

These styles were put there as basic example but they have never been updated. I don't think we should support them in the first version.

##### #2 - 06/04/2010 08:53 - Stefaan Vanbillemont

- *Target version changed from 2 to 7*

##### #3 - 29/06/2010 08:47 - Hans De Bisschop

- *Status changed from Needs more info to Feature implemented*

Removing both themes as they are seriously outdated and no longer relevant. More variants can be added if and when needed AND when we're closer towards a first stable release.
